

## **Ten Reasons The IRS Should Not Be In Charge of ObamaCare**

- 1. The IRS is prone to political corruption**
- 2. The IRS either can't or won't keep track of its own records**
- 3. The IRS lacks the resources to handle the task**
- 4. The IRS lacks accountability and is not interested in upholding the law**
- 5. The IRS is only interested in its own budget, not your freedoms**
- 6. ObamaCare is outside the scope of the IRS' intended purpose**
- 7. IRS officials are either inept, dishonest or both**
- 8. The IRS takes every opportunity to pry into your personal life**
- 9. The IRS does not respect the confidentiality of private records**
- 10. The Internal Revenue Code is too complex as it is**
