

Senator Mitch McConnell:

Kentucky Taxpayers are watching you!

And we will be closely watching how you vote on the \$1.1 trillion stimulus plan now before the U.S. Senate.

If you are serious about getting our country out of the current recession, helping families during this tough time, and restoring fiscal sanity to Washington, D.C. you will VOTE NO on this legislation that:

- Has already met with bipartisan opposition in the U.S. House, with both Republicans and fiscally moderate “Blue Dog” Democrats voting against it.
- Would cost an average of over \$10,000 per American family.
- According to the Federal Reserve, would exceed all the cash in the country.
- Carries a price tag bigger than the economies of Saudi Arabia and Iran combined.

Please call Senator Mitch McConnell at:

(866) 928-0525

and tell him to stand up for Kentucky taxpayers and VOTE NO on the \$1.1 trillion stimulus package.
